

System Wide

PC/WEB

Addition:

- Employee Notification “Certification Date Not Enter” Popup Box:
 - Will appear when certification/expiration dates are not entered.
 - Employee **MUST** acknowledge message to continue.
 - Employee **WILL NOT** be allowed to ship until dates are entered.
- Maintenance > Customers:
 - New Search Option “Country”
- “INACTIVE” Option:
 - Maintenance > Carriers
 - Maintenance > Countries
 - Maintenance > Technical Names
 - Maintain Templates

Modification:

- Maintenance > Countries:
 - Replaced current list with 2024 Countries of the World
 - New list will overwrite your existing country list.
 - May add any country not listed.
 - May make any country “inactive” to not show in pull down.
 - United States replaces USA
 - United Kingdom replaces: England, Scotland, Wales and Northern Ireland
 - England, Scotland, Wales and Northern Ireland: enter in State/Prov Field

Review your current Customers and Country lists to ensure all information is entered appropriately.

- Modifications can be made in Maintenance > Customers and Maintenance > Countries.
- Current Customer addresses will not be affected. However, review all customers to ensure they are correct.
- Emergency Response Guide (ERG) 2024
- All Int'l Air Checklists updated: Non-radioactive, Radioactive, Dry-Ice

WEB ONLY
